INDIVIDUAL SESSIONS & GROUP EVENTS TO EMPOWER & INSPIRE YOU!

WINTER 2011-2012

Welcome to Inner Compass, an intuitive life coaching practice. My name is Joanne Franchina, and I help people to create fabulous lives for themselves by applying their inner wisdom in everyday situations. Inner Compass offers individual sessions, including *Mediumship Readings* and *Intuitive Life Coaching*, and group events, including *Work (and Play!) Shops*, *Reading Parties*, *Group Coaching Circles*, and *Innovative Business Coaching*, to empower and inspire you. The calendar is loaded with events this season; you can read about them here and on the Inner Compass website: www.YourInnerCompass.com.

DECEMBER 2011 GALA MESSAGE CIRCLE EVENT & HOLIDAY CELEBRATION

Message Circle Events are popular with groups and those who are new to mediumship readings—and no wonder! They are fun and affordable, and allow one's friends and family members to participate. What happens in a message circle? Well, a handful of participants sit in a circle with a clairvoyant medium, who provides a message, or mini-reading, for each participant in turn. Joanne and her office partner, Rose Vanden Eynden, have invited some of their favorite mediums in the area to participate,

including Jaccolin Franchina, Christine Sabick, Angel Fioresi, and Harold Webster.

This event will be like a "Gala" in the Spiritualist Tradition, incorporating special items such as oracle cards, crystals, spirit art, and more. During each mini-reading, the medium will be inspired by spirit to talk about a particular item that the participant can then take home as a special gift from spirit.

Friday, December 2, 7 – 9 pm. \$25; limited space, pre-registration required. Joanne Franchina, Rose Vanden Eynden, hosts; guest mediums. To pre-register, email Rose at info@vandeneynden.biz. Include your name, the number of reservations, your email address and telephone number, and how you heard about the event.

MEDIUMSHIP CLINIC: Perfect Your Readings with Jaccolin Franchina & Joanne Franchina

There is more to readings than delivering a series of messages from spirit. They require a sustained focus of your energies, the expectations and needs of the clients are greater, the circumstances of the client are sometimes challenging, and the topics that can come up are virtually limitless. In short, there's a lot riding on those 30 minutes! This clinic will help you rise to the challenge as you learn how to develop a reading style that honors the client, the process, the connection with spirit, and the overall intention of your reading practice.

Saturday, December 3, 1 - 4 pm. Jaccolin Franchina & Joanne Franchina, co-instructors. \$55; early registrations (by November 28) \$45.

JACCOLIN FRANCHINA

is a registered medium in Lily Dale, New York, who divides her time between Lily Dale and Cincinnati, Ohio. Jaccolin's mediumship is characterized as strongly empathic; she often takes on the characteristics and mannerisms of loved ones in spirit until you feel they are in the very room with you. Jaccolin has led spiritual development classes for over ten years, and has been featured in several documentaries about Spiritualism and mediumship. www.jaccolin.com.

CRYSTAL PENDULUM Craft Class with Linda Vitagliano Berg & Joanne Franchina

What a wonderful afternoon we have in store for you! In this workshop you will make a lovely pendulum under the tutelage of Linda Vitagliano Berg, the proprietress of Gypsy Moon Imports in Cincinnati, Ohio.

Linda and Joanne will begin with a discussion of the metaphysical and healing properties of natural crystals and gemstones, to help you select the ones to use in your unique pendulum. We will use silver plated chains (or copper), and there will be a beautiful assortment of crystals and stone beads from which to choose: spherical, elliptical, conical, natural shapes, even carved beads.

Linda will guide you through the simple process of assembling your pendulum—no prior experience or crafting skills needed. Joanne will then teach you about various uses for your pendulum. You will learn and practice principles and techniques for divination (such as yes and no), dowsing for healing and energy work (such as chakra balancing), and general guidelines on using and caring for your pendulum. Makes a wonderful gift for yourself, or a very special holiday present for some lucky person on your list—you might even give this class as a

gift to a friend and enjoy a relaxing, fun afternoon together! All materials included. Time permitting, you can make more than one pendulum for an additional materials cost of \$10 and up per pendulum.

Sunday, December 4, 1 - 4 pm. Linda Vitagliano Berg & Joanne Franchina, co-instructors. \$55; early registrations (by November 28) \$45; includes materials for one pendulum. Registration deadline November 28.

JOYFUL & CREATIVE EXPRESSION THROUGH THE SPIRITUAL GIFTS

Workshop with Jaccolin Franchina, Joanne Franchina & Meredith Melvin

You have a gift—exquisitely beautiful, and uniquely yours. It is the gift of your spirit, and you have an entire lifetime to share it with the world. - ✦ **Barrier Breakthroughs.** Participate in a group regression to release any latent resistance, blocks, and limitations to the manifestation of your spiritual gifts, and open to your spirit’s capacity for the free and full experience of love, peace, and joy.
- ✦ **Speak Your Truth.** Craft a statement of intention for serving spirit and living a life that resonates with your innermost being, and discover ways that you can affirm that intention every day.
- ✦ **Spiritual Symbol.** Using inspirational processes and visual media, create a collage that symbolizes who you are today and how your spiritual gifts are unfolding. And then see where your unique vision fits within the bigger picture of your world view.
